1. The limits for the purpose of collecting octroi shall be the Municipal limits.

3. All persons bringing into or receiving from beyond the octroi limits of the town any such articles or conveyance, or package containing such articles, shall stop such articles, conveyance or package at the Ookad to enable the octroi officer to inspect the same.

4. The octroi posts at which such conveyance or package or goods shall be liable to inspection shall be the Ookads on the high roads prescribed in Schedule No. I, the Bonded Warehouse and the Town Railway Station including all its gates and the octroi office. Every person importing dutiable goods within the town shall report the fact at the first of such posts on the route by which they come. 5. A table showing the octroi leviable shall be open to inspection of any person in the Municipal Office and a copy shall be supplied to any person requiring the same. Such tables shall also be affixed in a conspicuous place at every post or office at which octroi is levied.

6. When goods have been examined at the octroi post, a pass for such of the goods as are liable to octroi duty shall be furnished to the importer by the octroi mutsaddi. On receiving such pass, the importer shall forthwith bring the taxable goods to the octroi office provided that if the duty leviable thereon does not exceed eight annas, the octroi mutsaddi may levy the duty and certify on the pass the fact of such levy.

8. With a view to appraisement of the value of the goods, where the tax is assessed on value, the importer may be called upon to produce the invoice of the goods for the inspection of the officer in charge of the octroi office. If the officer in charge of the office suspects the genuineness of the invoice produced, he shall at once report the matter for the orders of the President or the Vice-President through his immediate official superior stating the grounds on which his suspicion is based and shall detain the goods in the bonded warehouse till orders are passed and forthwith issue a written notice to the importer to that effect. The officer to whom the report is so submitted shall forthwith examine the invoice, consider the report, pass orders as to the genuineness or otherwise of the invoice produced and inform the officer in charge of the octroi office of his decision. If the invoice is found spurious or if the importer fails or refuses to produce the invoice, the value of the goods shall be ascertained by the officer in charge of the octroi office at current rates and octroi levied accordingly.

9. Every such person shall be liable to the extent of his deposit for the payment of octroi on all goods which may have left his premises without octroi duty having been paid, provided that the President may at any time cancel such exemption by giving notice in writing to such persons and return to him the amount of his credit or may in any case require such person to produce any such goods for inspection at the octroi office.

Otherwise the officer in charge of the octroi office may refuse to deliver the articles until the person depositing the goods has given an indemnity to the satisfaction of the officer in charge of the octroi office.

15. If the depositor does not himself take delivery of the articles deposited, he must endorse on the receipt a request for delivery to the person to whom he wishes it to be made.

16. Any person who has deposited goods in the bonded warehouse may break bulk or change the packing thereof on application to the officer in charge of the warehouse or may export such goods covered by an export pass subject to the escort of an octroi subordinate or may, on paying the full duty thereon, import such goods into the town covered by a permit. For every export pass granted under this bye-law or bye-law No. 7 a fee of one anna shall be charged.
